- Discussion was held regarding number of athletes registered per club in our state. This comes into play regarding the 2010 state clinic detailed below. Can't tell yet! So it is not detailed.
 - Discussion was held regarding the Prep Op Regional Meet. T.G. met with the state chairs a while back – all states were extremely excited about the meet. A date was set for the weekend of May 8-10, 2008 at the Bancorp South Arena in Tupelo, MS. The Prep Op Regional Meet would have to be classified as an Invitational. Medals will be designed. All participants will leave the arena with a medal.
 - Emily Lay communicated with the states in our region during the last several months to come up with an overall Prep Op Regional Competitive Guideline. The Regional Guidelines mirror the Mississippi Guidelines so closely it was discussed by the board members present that Mississippi should use these guidelines for our regular Prep Op season beginning in January.
 - **Motion made to adopt Regional Prep Op Rules as the regular MS Prep Op Rules.**
Motion: Richelle Gray
Second: Mary Thacker
Passed: Unanimously
 - MSUSAG was asked about hosting a Level 7 Regional Meet in 2009. T.G. is having some trouble coordinating dates with the Bancorp South Arena.
 - Nancy reminded the board about the appointment of Mary Moore, Judge and Emily Lay, Coach to the regional committee that Brad Harris has formed. This is going to be a great way for each state to communicate their thoughts, concerns, and ideas.
 - **Motion was made to adjourn the meeting.**
Motion: Glynn Hankins
Second: Cindy Wallace
Meeting adjourned at 8:40 am.
